This explanatory statement contains the information required under Rule 10.06(1)(b) of the Listing Rules. Its purpose is to provide the Shareholders with information reasonably necessary to enable them to make an informed decision on whether to vote for or against the proposed resolution approving the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued ordinary share capital of the Company comprised 2,669,562,843 Shares. On the basis that no further Shares are issued or repurchased prior to the AGM and subject to the passing of the relevant ordinary resolution approving the Repurchase Mandate, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 266,956,284 Shares during the course of the period prior to the next annual general meeting of the Company to be held in 2010.

2. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the interest of the Company and its Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or its earnings per Share and will only be made when the Directors consider that such repurchases will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum of association and the Articles of the Company and the laws of Hong Kong.

As compared with the financial position disclosed in the audited financial statements for the year ended 31 March 2009 as contained in the Annual Report, the Directors anticipate that there might be an adverse impact on the working capital or gearing position of the Company in the event that the Repurchase Mandate was to be exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

4. GENERAL

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, their associates, have any present intention to sell any of the Shares to the Company or its subsidiaries if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the applicable laws of Hong Kong and the Listing Rules.

No purchase has been made by the Company of its Shares in the six months prior to the date of this circular (whether on the Stock Exchange or otherwise).

No connected person (as defined in the Listing Rules) has notified the Company that it has a present intention to sell any of the Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

5. EFFECT UNDER THE CODE

On the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, if a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Hong Kong Code on Takeovers and Mergers (the "Code"). As a result, a Shareholder or a group of the Shareholders acting in concert (as defined in the Code), depending on the level of such increase, could obtain or consolidate control of the Company and may become obliged to make a mandatory offer in accordance with Rule 26 of the Code.

As at the Latest Practicable Date, Allied Luck Trading Limited ("Allied Luck"), Ace Solomon and the executive Directors were directly or indirectly interested in approximately 32.06%, 21.31% and 10.09% of the issued ordinary share capital of the Company respectively. Ace Solomon and all the executive Directors are parties acting in concert with Allied Luck. Assuming that there will be no change to the above shareholdings and the issued ordinary share capital of the Company between the Latest Practicable Date and the date of exercising the Repurchase Mandate, if the Repurchase Mandate, if so approved, is exercised in full, the shareholdings of Allied Luck, Ace Solomon and the executive Directors in the Company will be increased to approximately 35.62%, 23.67% and 11.21% of the issued ordinary share capital of the Company respectively. The Directors are not aware of any consequences which may arise under the Code as a result of any repurchase made under the Repurchase Mandate.

The Directors have no present intention to exercise the Repurchase Mandate to such extent as would, in the circumstance: (a) give rise to an obligation to make a mandatory offer under Rule 26 of the Code; or (b) result in less than 25% of the issued share capital of the Company in the public hands.

6. SHARES PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:

Month	Price per Share
