PROFIT WARNING

This announcement is made by Goldbond Group Holdings Limited (the “Company”, and together with its subsidiaries, the “Group”) pursuant to Part XIVA of the Securities and Futures Ordinance (the “SFO”) (Cap. 571 of the Laws of Hong Kong) and Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company (the “Shareholders”) and potential investors that, based on information available, the Group expects to record a significant loss for the period ended 30 September 2016 (the “Period”) as compared to profit of approximately HK\$64 million for the corresponding period in 2015. Such loss was mainly attributed to share of loss of a joint venture: Rongzhong Group Limited (the “Joint Venture”) of approximately HK\$724 million as a result of high level of impairment allowances on accounts receivable and advances provided to customers recorded by the Joint Venture for this period. The Board considers that the share of loss is non-cash nature and has no substantial adverse impact on the operating cash flows of the Group.

As at the date of this announcement, the Company is in the process of finalising the results of the Group for the Period. The information contained in this announcement is only a preliminary assessment based on the unaudited management accounts of the Group, which have not been audited or reviewed by the auditors of the Company, and the information currently available. Details of the Group’s financial results and performance will be disclosed in the Company’s interim results announcement to be published in late November 2016.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
