REASONS AND BENEFITS FOR ENTERING INTO THE STRUCTURED DEPOSIT AGREEMENT

As the Structured Deposits offer better potential returns together with 100% principal protected features to Shanghai Goldbond when compared to the fixed-term deposit interest rates offered by commercial banks in the PRC, the Directors consider that the subscriptions for the Structured Deposits are on normal commercial terms negotiated at arm's length and are fair and reasonable and are in the interest of the Company and the Shareholders as a whole.

The subscriptions of the Structured Deposits were conducted on the premises that such investments would not adversely affect the working capital of the Company or the operation of the Company's principal business.

The Group is principally engaged in the provision of financing services and trading of goods in Hong Kong and the PRC and holding of interests in a joint venture and associates.
