This increase is taken into account in the preparation of the Group's financial statements for the year ended 31 March 2004. 8 CHANGE IN ACCOUNTING POLICY

In prior years, deferred tax liabilities were provided using the liability method in respect of the taxation effect arising from all material timing differences between the accounting and tax treatment of income and expenditure, which were expected with reasonable probability to crystallise in the foreseeable future. Deferred tax assets were not recognised unless their realisation was assured beyond reasonable doubt. With effect from 1 April 2003, in order to comply with Statement of Standard Accounting Practice 12 (revised) issued by the Hong Kong Society of Accountants, the Group adopted a new policy for deferred tax. As a result of the adoption of this accounting policy, the Group's profit for the year has been decreased by HK\$440,000 (2003: HK\$200,000) and the net assets as at the year end date have been decreased by HK\$2,908,000 (2003: HK\$2,468,000).

The new accounting policy has been adopted retrospectively, with the opening balances of accumulated losses and reserves and the comparative information adjusted for the amounts relating to prior periods.

RESULTS AND DIVIDEND

Turnover of the Group for the year ended 31 March 2004 was approximately HK\$23,392,000 (2003: HK\$23,175,000). The Group recorded a profit attributable to shareholders of approximately HK\$32,501,000 (2003: loss of HK\$72,162,000), which was mainly contributed by the reversal of the deficit on revaluation of the Group's investment properties and operating profit from leasing of the investment properties.

The Board did not recommend the payment of a dividend in respect of the year ended 31 March 2004 (2003: HK\$ nil).

BUSINESS REVIEW

The principal business of the Group is property development and investment and other investments in Hong Kong and the PRC.

Golden Plaza, Hong Kong

During the year under review, the turnover of the Group was mainly contributed by the rental income derived from the Golden Plaza, No. 745-747 Nathan Road, Kowloon. As at 31 March 2004, approximately 77% of the total gross floor area of Golden Plaza has been rented, while the remaining 23% was vacant due to planned renovation programme scheduled to be completed by the end of 2004. The Board expects that the renovation will create a new and modernized outlook and thus increase the rental yield in the coming years.

With the gradual increasing consuming power in Hong Kong and the Individual Visit Scheme implemented by the PRC, Golden Plaza, being an established niche market for wedding and auxiliary businesses, is expected to contribute a satisfactory return to the Group.

Nanjing International Center

In December 2003, the Group entered into a conditional agreement (as supplemented) for the acquisition of a 25% equity interest in Nanjing City Plaza Construction Co., Ltd. at a consideration of HK\$91,000,000, of which HK\$90,000,000 was settled in cash and HK\$1,000,000 was settled by the issue of 5,000,000 new ordinary shares of the Company at HK\$0.20 each (the "Consideration Shares"). The Group also provided a shareholder's loan of HK\$10,000,000 to Nanjing City Plaza Construction Co., Ltd. Its principal asset is a 66.96% equity interest in Nanjing International Group Ltd ("Nanjing International"), a joint stock limited liability company incorporated in the PRC, which holds and develops Nanjing International Center. The Nanjing International Center is planned to be developed in two phases. Phase I is under construction and is expected to be completed by 2006, comprising a shopping mall, a hotel, service apartments, residential units and office premises with a total gross floor area of approximately 228,000 square meters. Phase II is at planning stage, and will be built into a 73-storey building with a total gross floor area of approximately 218,000 square meters, comprising a hotel, service apartments and office premises. The acquisition was completed in February 2004. The superstructure work of the shopping mall of Phase I was already completed in early June 2004. The pre-sale/ lease of Phase I is scheduled to begin in the second half of 2004 while the shopping mall will commence operation in the last quarter of 2005. The Board believes that the investment in the Nanjing International Center will improve the Group's financial performance and broaden its earning bases. The Group is expected to be benefited in terms of dividend income in 2007.

Gobi Fund

In December 2003, the Group entered into a subscription agreement to subscribe for 12 units of the Gobi Fund at a consideration of US\$6,000,000. The target capitalization of the Gobi Fund is US\$75,000,000 divided into 150 units. Gobi Fund, sponsored and managed by Gobi Partners, Inc., is a venture capital fund focusing on early investments in the PRC's digital media business, such as telecommunications, internet and broadcasting. The other strategic subscribers of the Gobi Fund include NTT DoCoMo, Inc., IBM World Trade Corporation and Gobi Partners, Inc.. As at 31 March 2004, the Group has already paid US\$1,500,000 while the balance of consideration will be payable over a period of five years.

The Board believes that the subscription of the Gobi Fund provides an opportunity for the Group to participate in the investments in the fast growing digital media field in the PRC.

Rongzhong

In March 2004, the Group entered into a conditional agreement (as supplemented) for the subscription of 3,725 new shares of Rongzhong Group Limited, representing 37.25% of its issued share capital at a consideration of RMB62,000,000. The Rongzhong companies currently consists of five companies located in Wuhan, Guangzhou, Chongqing, Changsha and Chengdu, which provide loan guarantee services for individuals mainly in relation to six types of products: (1) consumables; (2) educational funds; (3) residential renovations; (4) travels and wedding functions; (5) new and second hand cars; and (6) new and second hand properties. Shareholders approved the subscription and related agreements at the extraordinary general meeting held on 2 June 2004. The completion of the transaction is subject to the fulfillment or, as the case may be, waiver of all conditions precedents as set out in the circular dated 14 May 2004.

The Board considers that the entering into of the subscription agreement as a strategic move for the Group to venture into the PRC loan guarantee industry. In particular the Rongzhong companies mainly engage in the provision of loan guarantee services for consumables. As consumption in the PRC is expected to increase, it will provide an opportunity for the Group to capture the potential growth in this market and therefore the Board considers it to be beneficial to the Group and the shareholders as a whole.
